Dear Friend:

Too often, red tape and bureaucracy hinder us from getting the results we need from government. Knowing who to call for quick, accurate information is important and saves time and energy.

The state offers residents a variety of helpful services and information. I have prepared this guide of toll-free telephone numbers to assist you in locating the services you need, when you need them.

My top priority is to provide you with the best information possible. If I can assist you with any state government matter, please do not hesitate to call me.

Truly yours,
